INTERNATIONAL SPEAKER, AUTHOR, EDUCATIONIST, ENTREPRENEUR AND NURSE INJECTOR

Voted 2019 Best Aesthetic Nurse in the US and 2020 Best Aesthetic Practitioner in the US, Fletcher has developed cutting edge uses for BTX-A and dermal fillers for the purpose of facial contouring, and volume reassigning. Creator of the only patented dermal filler technique in the world-ArqueDerma® Artistic Restoration Lift®. Sought out as an international speaker and faculty injection trainer, as well as a US complication Consultant for some of the most prestigious aesthetic companies in the world. To date, Fletcher has trained over 6,000 physicians and mid-level practitioners and is recognized as a global leader in the aesthetic injecting community. She owns and operates a successful medical clinic in Los Angeles, CA which in 2019 and 2020 was named the best medspa in the world as well as one of Inc. 5000 fastest growing companies in the US.
